LABELLING MACHINES

SOVEREIGN TRI-ROLLER LABELLER

The Sovereign 300 servo driven aerosol can labelling system is specifically designed to label a range of can sizes up to 750ml, 65mm diameter with label sizes up to 300mm in height. Aerosol cans are orientated and can seams are registered before a full wrap label is applied at 30 cans per minute. If seam registration is not required, labels can be applied up to 60 cans per minute.
